**Address:** Campus, East Durham College Houghall, Durham DH1 2SG

**Mobile:** +44 7404925161

**Email:** [sedorodion@hotmail.com](mailto:sedorodion@hotmail.com)

## Education And Experience

### Higher Education

**Durham University (2021-2024)**

Computer Science BSc.

#### First Year Modules

- COMP1101 – Programming (Black)
- COMP1021 – Mathematics For Computer Science
- COMP1052 – Computational Thinking
- COMP1071 – Computer Systems
- COMP1081 – Algorithms And Data Structures
- MATH1031 – Discrete Mathematics

### Newcastle Sixth Form College (2019-2021)

Qualification	Level	Grade:
Mathematics	A Level	A*
Physics	A Level	A*
Computer Science	A Level	B

### Secondary Education

**Excelsior Academy (2015-2019)**

9 GCSEs ranging from grades 4 to 9, including computer science and mathematics at grade 8, and Italian at grade 9

### Awards

#### *Durham Inspired Computer Science Scholarship*

I have been awarded the Durham Inspired Computer Science Scholarship at Durham University which will be paying part of my fees for all my three years at Durham

### Employment History

#### *Packer, Northumbrian Fine Food, Gateshead (2021 June – September)*

In this role I worked alongside several colleagues to provide excellent production of biscuits, this provided me with experience working in a fast paced, collaborative environment which greatly improved my teamwork and ability to adapt to changes on the fly

### *Freelancer – Self Employed, Remote (2020)*

As a freelancer, I worked closely with a private individual to develop a web application. This website would aid users in searching for phone numbers of Nigerian embassies in their respective country and would tell useful information about what the embassies have to offer.

### Skills and Attributes

- Unity game and website development. Known languages are C#, CSS, HTML, JavaScript, and Python.
- Learned how to work with databases and implemented MongoDB in a few websites.
- Proficient in using ReactJS, node.js, express and more.
- Very eager to work in a team of developers, I also fluently speak Italian which demonstrates good language and communication skills.

### Interests

My Interests include

- Software Development, including both practical and enjoyable projects.
- Artificial Intelligence and its sub-fields, such as machine learning.

### Referees

**Mr Graham Davison**

Physics Teacher

Newcastle Sixth Form College

Westmorland Rd

Newcastle Upon Tyne

NE4 7SA
